Classes for the Month of September 2018

Sunday, September 2, 9, 16, 23, 30 at Learning Unlimited from
9am-4pm

We are still working on our Carousels. They are very challenging because they rotate with the music plays. During the month of September, we are making a Moana Egg. There are two version, both very cute. They are the same except for the number of figurines.

I am selling some of the eggs in my collection for just \$25.00 dollars over the price of the egg kit. Email me for details or come to class and check out the eggs.

I want to encourage all my former students to come and finish their kits. I promise to help all of you who bring me old and new challenges.

Saturday, September 15 at the Mapunapuna Ben Franklin

You can work on an egg or create a “BLING” project. I have compacts, pillboxes, card holders, watches, key chains, “Clipas” and many different purse forms. They are all ready for embellishment. I am continuing the sale on all Swarovski Crystals. They are only \$6.00 a gross. Now is the perfect time to make that beautiful jeweled handbag!

I am having a 20% discount sale on my Etsy listings until September 4th. My items are listed under Tokita Collection. Just finished listing hundreds of items on ebay. My ebay name is crystalbamboo888.

Quote Of The Month:

“The key to everything is patience. You get the chicken by hatching the egg, not smashing it.”
