The classes are held at Learning Unlimited, 1210 Wilhelmina Rise in Kaimuki and the Ben Franklin in Mapunapuna, 833-3800. You can register for the classes at Learning Unlimited by calling me at 808.728.9477 or emailing me at eileentokita@gmail.com The classes at Ben Franklin require in person registration.

Check out my clips on [YouTube!](#) I just added a new tutorial on making the Duck Egg Jewel Box that is covered with bugle beads. I also made a video that teaches you how to use the blue egg marker.

Classes for the Month of February 2018

We are working on a new version of an old Rhea egg called "The Basket." It's lovely but very difficult to draw the design. We also have an egg for the 2018 Chinese New Year - Year of the Dog.

We have lots of support and encouragement from our regular students.

I want to encourage all of my former students to come and finish their kits. I promise to help all of you who bring me old and new challenges

We will be working on crystal projects. I have pillboxes, compacts, key rings, luggage tags, and purse forms available for purchase. We also have "CLIPAS" to embellish. Everyone who owns one just loves it. You can make one in just a couple of hours. I am making one with the Seattle Seahawks colors of green and blue.

I am happy to announce that I am finally on Etsy.com. My store is called Tokita Collection. At this time, it only has Cigar Box Purses and Swarovski Crystal Accessories and Handbags. I am also on eBay where I am selling lovely figurines.

Egg Quote Of The Month:

The key to everything is patience. You get the chicken by hatching the egg, not by smashing it.
